

Why learn from Highlander Coffee?

With our passion and diligence, we have conducted coffee workshops to over 8000 participants in Singapore and around the region since 2004. They are the daily coffee drinker, coffee enthusiast, office workers, cafe operators, and cafe wannabes.

We are probably the world's largest in terms of affordability, student attendance, “guaranteed-to-run class”, frequency and high quality delivery ([Read what our past attendees have to say...](#))

In recent times, many have embarked to offer similar coffee program like ours with the assumption that offering coffee education is lucrative. It doesn't take long to realise that it involves a lot of hard work to be meaningful and sustainable. Again, it's really about passion and diligence.

- We are the pioneer in Singapore and the region to offer hands-on barista training opened to the public. Since Nov 2004, our PASSION to raise professional coffee making standards have seen many thousands trained!
- We walk the talk by making and serving coffee daily at Highlander Espresso Bar; one of the most highly rated gourmet coffee place in Singapore! [Read what others say...](#)
- We understand coffee and customers better. Our daily activities revolve around roasting and blending coffees, installing and troubleshooting coffee machines and most importantly serving customers!
- Fully equipped training facility with professional machines, tools and accessories to deliver quality learning.
- We offer small student to instructor class ratio for optimal learning!
- We are known for providing close hands-on instructor supervision.
